PROFILE SUMMARY

Innovative UI/UX and Front-End Developer skilled in Adobe XD, Sketch, and Figma, with expertise in HTML, CSS, JavaScript, and PHP. I stay updated on UI/UX trends to create intuitive mobile app interfaces and enhance website usability. My focus is on delivering user-centered solutions that meet business goals, producing high-quality graphics, interactive prototypes, and responsive mockups, ensuring a balance of functionality and aesthetics for optimal user experiences.

WORK EXPERIENCE

UI/UX DEVELOPER   22/01/2025-02/06/ 2025
Inssyssol Technologies, Ernakulam

- Designed and developed intuitive user interfaces using Adobe XD, Sketch, and Figma, ensuring seamless user experiences across web and mobile platforms.
- Created interactive prototypes and mockups, translating concepts into fully functional designs that align with client requirements.
- Applied UI/UX principles to enhance website usability and engagement, resulting in improved user retention and satisfaction.
- Developed responsive and dynamic interfaces using HTML, CSS, and JavaScript, ensuring cross-browser compatibility and mobile-first design.
- Collaborated with cross-functional teams to drive product vision, streamline development, and solve complex design challenges efficiently.

UI/UX DEVELOPER & FONT-END DEVELOPER   05/03/2024-15/08/ 2024
Softland India Ltd,Thiruvananthapuram

- Proficient in industry-leading design tools such as Adobe XD, Sketch, and Figma, I am constantly learning and experimenting with new techniques to stay at the forefront of UI/UX trends
- Whether it's designing a mobile app interface or improving website usability, I am committed to delivering impactful solutions that delight users and achieve business goals
- Innovative UI/UX Designer with a strong background in creating intuitive and engaging user interfaces
- Possess skillset in applying design principles to produce high-quality graphics, interactive prototypes, and mockups tailored to client needs
- Strength lies in balancing functional requirements with aesthetics to deliver designs that enhance user experience and satisfaction
